## Skills

UX/UI, Wireframing, Prototyping, Photo Editing, Video  
Editing, Illustration, Motion Graphics

## Work Experience

### Design Intern

Vancouver, BC

#### TEALEAVES

Jun 2025 - Aug 2025

- Maintained and updated the webstore through Shopify, including seasonal homepage redesigns.
- Designed visual assets for social media and weekly newsletters using Adobe Suite to support consumer outreach and brand collaborations.
- Contributed to product development by brainstorming concepts and producing mockups for new packaging.

### SIAT Social Media Ambassador

Surrey, BC

#### Simon Fraser University

Jan 2025 - Mar 2025

- Directed and filmed original video content with full creative autonomy, while aligning with the program's goal of showcasing student projects and sharing school updates.
- Produced engaging videos to maintain account activity and drive audience interaction across social platforms.
- Edited content through Premiere Pro and CapCut to ensure seamless transitions and addition of subtitles for accessibility.

### Production Team

Vancouver, BC

#### TEALEAVES

Dec 2021 - Aug 2024

- Assembled retail-ready tea packaging with accuracy and attention to detail.
- Organized and maintained warehouse operations to ensure efficiency and cleanliness.
- Performed inventory counts and reconciled stock records to ensure accuracy.

## Education

### Simon Fraser University

Surrey, BC

Bachelor of Arts, School of Interactive Arts and Technology

Sept 2024 - Present

GPA: 3.75

## Extracurricular

### The PEAK Illustrator

Sept 2025 - Nov 2025

Created original digital illustrations for SFU's newspaper The Peak based on article titles and provided descriptions.

### SIAT Frosh Leader

Sept 2025

Co-led groups of first-year SIAT students during a two-day SIAT orientation event.

### Here4Peers Facilitator

Nov 2023 - Feb 2024

Strengthened communication and presentation skills through training and facilitated large-group mental health workshops for elementary students.
